Welcome to the 4th Quarter!

As we approach Spring Break, we have a lot happening at our school.

Many of our students helped Beartown Road Alliance Church with a service project. Our volleyball teams have started their season and have loved the home-court support they're receiving. The yearbook is about to be submitted for publishing and the CMOG Student Art Show is coming. We are looking forward to finishing this year strong!

Thank you to all who were able to support both our local businesses and our school through auction donations. It is a really great way to love on our community while still raising money for our school. I hope to see you at the Spring Spectacular at Three Birds Restaurant on April 29th! It is sure to be a fun night!
